

Review Game for Lesson 4 Joseph

Concentration Game with Sheaves

This game is played by placing the 12 cards face down on a flat surface or in a pocket chart. Divide the group into two teams. The first child on team one to answer gets to choose two cards. If they do not match, place them back where they were. Next team's child gets to answer and if correct, chooses two cards. Each time a match is made the team making it gets to hold those cards. The team with more matches at the end wins.

Review Game for Lesson 5 Joseph: Find Joseph's Cup

Materials needed: 10 lunch-size paper bags. One small picture of a chalice (Like Joseph might have had.)

Instructions: Place paper bags in two rows of 5 bags each. Hide cup picture in one of the bags. Divide group into two teams. Child on first team to answer a question correctly tries to guess where the cup is hidden. He may choose any bag to look. Game continues until one side finds the cup. They win. If the cup is found early in the game, shuffle the bags around and hide cup in a new place. This can be played until interest wanes or questions end.
